**MEMORANDUM**

1. **Introduction.** Plaintiff Marcus Elton Henderson (“plaintiff”), an inmate at the Sussex Correctional Institution (“SCI”), Georgetown, Delaware, proceeds pro se and has been granted in forma pauperis status. He filed this complaint pursuant to 42 U.S.C. § 1983 claiming violations of his constitutional rights.<sup>1</sup> (D.I. 1)

2. **Standard of Review.** A federal court may properly dismiss an action sua sponte under the screening provisions of 28 U.S.C. § 1915(e)(2)(B) and § 1915A(b) if “the action is frivolous or malicious, fails to state a claim upon which relief may be granted, or seeks monetary relief from a defendant who is immune from such relief.” *Ball v. Famiglio*, 726 F.3d 448, 452 (3d Cir. 2013); *see also* 28 U.S.C. § 1915(e)(2) (in forma pauperis actions); 28 U.S.C. § 1915A (actions in which prisoner seeks redress from a governmental defendant); 42 U.S.C. § 1997e (prisoner actions brought with

---

<sup>1</sup>When bringing a § 1983 claim, a plaintiff must allege that some person has deprived him of a federal right, and that the person who caused the deprivation acted under color of state law. *West v. Atkins*, 487 U.S. 42, 48 (1988).

respect to prison conditions). The court must accept all factual allegations in a complaint as true and take them in the light most favorable to a pro se plaintiff. *Phillips v. County of Allegheny*, 515 F.3d 224, 229 (3d Cir. 2008); *Erickson v. Pardus*, 551 U.S. 89, 93 (2007). Because plaintiff proceeds pro se, his pleading is liberally construed and his complaint, “however inartfully pleaded, must be held to less stringent standards than formal pleadings drafted by lawyers.” *Erickson v. Pardus*, 551 U.S. at 94 (citations omitted).

3. An action is frivolous if it “lacks an arguable basis either in law or in fact.” *Neitzke v. Williams*, 490 U.S. 319, 325 (1989). Under 28 U.S.C. § 1915(e)(2)(B)(i) and § 1915A(b)(1), a court may dismiss a complaint as frivolous if it is “based on an indisputably meritless legal theory” or a “clearly baseless” or “fantastic or delusional” factual scenario. *Neitzke*, 490 at 327-28; *Wilson v. Rackmill*, 878 F.2d 772, 774 (3d Cir. 1989); see, e.g., *Deutsch v. United States*, 67 F.3d 1080, 1091-92 (3d Cir. 1995) (holding frivolous a suit alleging that prison officials took an inmate’s pen and refused to give it back).

4. The legal standard for dismissing a complaint for failure to state a claim pursuant to § 1915(e)(2)(B)(ii) and § 1915A(b)(1) is identical to the legal standard used when ruling on Rule 12(b)(6) motions. *Tourscher v. McCullough*, 184 F.3d 236, 240 (3d Cir. 1999) (applying Fed. R. Civ. P. 12(b)(6) standard to dismissal for failure to state a claim under § 1915(e)(2)(B)). However, before dismissing a complaint or claims for failure to state a claim upon which relief may be granted pursuant to the screening

provisions of 28 U.S.C. §§ 1915 and 1915A, the court must grant plaintiff leave to amend his complaint unless amendment would be inequitable or futile. See *Grayson v. Mayview State Hosp.*, 293 F.3d 103, 114 (3d Cir. 2002).

5. A well-pleaded complaint must contain more than mere labels and conclusions. See *Ashcroft v. Iqbal*, 556 U.S. 662 (2009); *Bell Atl. Corp. v. Twombly*, 550 U.S. 544 (2007). A plaintiff must plead facts sufficient to show that a claim has substantive plausibility. See *Johnson v. City of Shelby*, \_\_\_ U.S. \_\_\_, 135 S.Ct. 346, 347 (2014). A complaint may not be dismissed, however, for imperfect statements of the legal theory supporting the claim asserted. See *id.* at 346.

6. Under the pleading regime established by *Twombly* and *Iqbal*, a court reviewing the sufficiency of a complaint must take three steps: (1) take note of the elements the plaintiff must plead to state a claim; (2) identify allegations that, because they are no more than conclusions, are not entitled to the assumption of truth; and (3) when there are well-pleaded factual allegations, the court should assume their veracity and then determine whether they plausibly give rise to an entitlement to relief. *Connelly v. Lane Const. Corp.*, 809 F.3d 780, 787 (3d Cir. 2016) (internal citations and quotations omitted). Elements are sufficiently alleged when the facts in the complaint “show” that the plaintiff is entitled to relief. *Iqbal*, 556 U.S. at 679 (quoting Fed. R. Civ. P. 8(a)(2)). Deciding whether a claim is plausible will be a “context-specific task that requires the reviewing court to draw on its judicial experience and common sense.” *Id.*

7. **Discussion.** Plaintiff broke his hand on May 30, 2016. He was taken to the hospital and received treatment. On June 16, 2016, he submitted a sick call slip complaining about pain and getting the hand “fixed” but nothing was done. He was seen on July 6, 2016 by Dr. Sopa (“Dr. Sopa”) of Lewes Orthopedics who “did not properly observe” him and “rushed” him out of the office. (D.I. 1 at 5)

8. In the meantime, plaintiff submitted a grievance on June 18, 2016 complaining about the lack of medical treatment. The grievance was upheld on July 19, 2016. Since that time, plaintiff has submitted numerous sick call slips, but nothing has been done. He seeks compensatory and punitive damages as well as a second medical opinion.

9. **Eleventh Amendment.** One of the named defendants is the Department of Correction, Sussex Correctional Institution. The SCI falls under the umbrella of the Delaware Department of Correction, an agency of the State of Delaware. The Eleventh Amendment protects states and their agencies and departments from suit in federal court regardless of the kind of relief sought. *Pennhurst State School & Hosp. v. Halderman*, 465 U.S. 89, 100 (1984). “Absent a state’s consent, the Eleventh Amendment bars a civil rights suit in federal court that names the state as a defendant.” *Laskaris v. Thornburgh*, 661 F.2d 23, 25 (3d Cir. 1981) (citing *Alabama v. Pugh*, 438 U.S. 781 (1978)). Delaware has not waived its immunity from suit in federal court; although Congress can abrogate a state’s sovereign immunity, it did not do so through the enactment of 42 U.S.C. § 1983. See *Brooks–McCollum v. Delaware*, 213 F. App’x 92, 94 (3d Cir. 2007) (unpublished). In addition, dismissal is proper because the SCI is

not a person for purposes of § 1983. See *Will v. Michigan Dep't of State Police*, 491 U.S. 58, 71(1989); *Calhoun v. Young*, 288 F. App'x 47 (3d Cir. 2008) (unpublished). Accordingly, the court will dismiss the claims against the SCI pursuant to 28 U.S.C. § 1915(e)(2)(B)(iii) and § 1915A(b)(2) as it is immune from suit.

10. **State Actor.** Plaintiff raises a § 1983 claim against Dr. Sopa who treated plaintiff in June of this year. To state a claim under 42 U.S.C. §1983, a plaintiff must allege “the violation of a right secured by the Constitution or laws of the United States and must show that the alleged deprivation was committed by a person acting under color of state law.” *West v. Atkins*, 487 U.S. 42, 48 (1988) (citing *Parratt v. Taylor*, 451 U.S. 527, 535 (1981), *overruled in part on other grounds by Daniels v. Williams*, 474 U.S. 327, 330-31 (1986)). To act under “color of state law” a defendant must be “clothed with the authority of state law.” *West*, 487 U.S. at 49. Dr. Sopa is a private individual who provided plaintiff medical treatment at Lewes Orthopedics. She is not “clothed with the authority of state law.” See *Reichley v. Pennsylvania Dep't of Agric.*, 427 F.3d 236, 244-45 (3d Cir. 2005); *Biener v. Calio*, 361 F.3d 206, 216-17 (3d Cir. 2004). Therefore, the § 1983 claims against her will be dismissed as legally frivolous pursuant to 28 U.S.C. § 1915(e)(2)(B)(i) and § 1915(A)(b)(1).

11. **Conclusion.** For the above reasons, the court will: (1) dismiss Department of Correction, Sussex Correctional Institution and Dr. Sopa and the claims against them as frivolous and based upon immunity from suit pursuant to 28 U.S.C. § 1915(e)(2)(b)(i),

(iii) and § 1915A(b)(1), (2); and (2) allow plaintiff to proceed with his Eighth Amendment claim against Connections LLC. A separate order shall issue.

Dated: November 15, 2016

  
UNITED STATES DISTRICT JUDGE
